Al-Anon News from New York North Area
Area Delegate

Hello NYN,

It was nice to see so many group representatives at the Spring 2017 Assembly in Buffalo. I do hope that you enjoyed hearing my delegates' report, and for those who weren't there, it's available on our website at: www.nynafg.com. I noted in my report that New York North groups gave a total of \$20,703, which comes to an average of \$118.93 per group. I also noted that only 58.8% of our groups gave. The average groups contribution throughout the USA/Canada is \$116.46, but this is 64.7 percent of groups. Our percentage of groups is lower, but we average about the same per group. We were also told the average cost per group for services from WSO is \$261.10. This includes Al-Anon and Alateen groups. How did they come up with this amount? Let me share with you:

Total Expenses:	\$5,142,214.
Less donated non-cash services	(187,767)
Less literature distribution services	(806,716)
Adjusted total expenses	4,147,731

(Delegate, continued on page 2)

Mission Statement

Northern Hi Lights is the monthly publication (10 issues) of the New York North AFG Assembly Area. It is intended both as a member outreach tool and to keep the Area informed of all Service related projects and activities at the District, AIS, and Area levels in between Assemblies. Content of each issue will include Service Reports from the Delegate, Officers and Coordinators of the Area; and pertinent Service topics from the World Service Office. Reports from Districts, Information Services and Alateen Sponsors will be included as space allows. A topic of the month may be chosen by the editor as a focus for reports. Northern Hi Lights is not copyrighted. It is not conference approved literature.

Submissions: Email by the 15th of the month prior, to: newsletter@nynafg.com

When submitting reports, keep in mind that all quotes from Conference Approved Literature (CAL) must have prior written permission from WSO (see pgs. 106-107 in your 2014 Service Manual). Announcements should be submitted at least 6 weeks before event.

Subscriptions: Suggested donation of \$10/year when possible (see back page): All Al-Anon members are encouraged to subscribe (electronically if possible) to receive an individual copy. A copy will automatically be sent to each Group Representative on record with the Group Records Coordinator, unless we have instructions for a specific Group Mailing Address.

Public Outreach Coordinator

Hi Everyone,

Thank you to District 12 for a wonderful Spring Assembly/Convention. As usual, it is so nice to see friends that I haven't seen in awhile, and to make new friends.

I mentioned in my report at Assembly that my term is up at the end of this year. We have accomplished so much together so let's keep it going! Consider stepping up for this rewarding position so we can continue sharing our wonderful program to those in need.

- Time to order ***Al-Anon Faces Alcoholism 2018.(AFA) Deadline is July 5th, 2017.*** On the 2018 AFA, you will notice a new cover design: the heading emphasizes Al-Anon's purpose. Title and year of the magazine is now the cover's bottom line. Also, there will be more space on the back cover to fill in local Al-Anon contact information.
- The WSO is excited to announce that they are expanding Alateen social media outreach to include Twitter. It can be found at twitter.com/Alateen_WSO or by following the links at al-anon.org
- The NY State Fair, our largest outreach event, is 8/23-9/4/2017.
- The new PSA's are out on the WSO website. I have sent the listing of TV and radio stations that have aired our PSA's' in the past to the DRs' and our public outreach

coordinators in NYN, along with a guideline that I put together explaining the procedure for contacting the stations. Please remember that when we see or hear these PSAs', it's important to send a thank you note to the stations airing them.

Let me know what is happening in your district. Together we can make a difference,

Pat H.

Alateen Coordinator

As I write this article I am preparing to attend the NYN Assembly in Cheektowaga. I can't believe I am in my last year of service as the Alateen Coordinator; time has surely flown by.

Currently, Mary Beth G. my assistant for this year's AMIAS (Al-Anon Members Involved In Alateen Service) recertification is busy processing the certification forms being returned by AMIASs. If you have not sent in your form please do so now; failure to do so can result in being inactivated. Also, all Alateen Group CMA (Current Mailing Address) AMIASs must return the yearly Alateen Group Update Form to my attention ASAP. It is important that we have the most updated information on file for all Alateen Groups. Most importantly, what AMIASs are attending the group on a regular basis. I have also established an Alateen Guideline Review Committee of six people made up of all registered AMIASs serving in different areas within NYN. We are starting with the NYNAC Guidelines; once completed we will forward them on to our NYN Delegate for her input before presenting them to NYN Area World Service Conference.

I love the topic for this month "My Future In Al-Anon." It didn't take a lot of thought because I know deep inside that this program will always be a vital part of my life. I hope to continue doing service such as being a personal sponsor to another member, being a group representative or volunteer at my local AIS Office. Most important I want to continue to grow, become a better person and continue growing closer to my Higher Power. I wish everyone a safe and fun-filled summer.

Love in service,

Walt S.

Area Chairperson

Hello NYN,

Well, it's June so the Spring Assembly is over and we're getting ready for the Fall Assembly. I am getting ready to schedule the Fall AWSC meeting. Make sure any new District Reps know that they are responsible for attending this meeting and taking the information back to the groups in their districts.

How important is it?
Good question!

Resumes, resumes, resumes!
How important are resumes? Only as important as you want your recovery to be in the program. If you didn't pick one up at the Spring Assembly, you can find it on the nynafg.com website. You can also go there to find out about the necessary experience you need in order to serve at the area level. There are many varied opportunities to serve in the NYN area. When someone takes the risk to stand for a position, we all benefit. Please consider standing for a position or giving someone a nudge to let them know that you think they would be a good fit for the position.

Hello Everyone,

Our topic this month is How Important is It? Well for me in relation to Group Records it is very important. We have 9 groups in some form of non-communication with WSO and New York North. Please check to see if your group is one of them or if you know the contact information for any of them.

LiteratureCoordinator/ Alternate Delegate/ Forum Coordinator

Dear NYN,

I am copying to you the latest news from WSO's Associate Director of Literature, Tom Coffey.
2018 Calendar Quotations: For the last five years, the WSO has provided CAL quotations that could be used by service arms in fundraising calendars without seeking written permission. The WSO posted 20 quotations for use in 2018 calendars in March on the Announcements Community of AFG Connects. If service arms submit reprint permission requests for use in calendars, they will be asked to select from the 20 quotations instead.

PARENTS & GRANDPARENTS OF YOUNG PROBLEM DRINKERS (working title): In January, the WSO selected a freelance writer/editor for the parents and grandparents pamphlet. The writer/editor, having read the 240 sharings submitted, has completed the first draft of the pamphlet, which the Literature Committee is in the process of reviewing. We hope for the pamphlet to be introduced at the 2018 World Service Conference in English, French, and Spanish.

INTIMACY IN ALCOHOLIC RELATIONSHIPS (working title): The WSO also selected a freelance

writer/editor for the intimacy book in January, who has read the 1,272 sharings submitted, and selected those to be included. Introductory text for the six sections of the book is currently being drafted. We expect a first draft of the entire book to be ready for review by the Literature Committee in May. If completed on schedule, the book will be available in English at the 2018 AI-Anon International Convention in Baltimore.

NEW DAILY READER (working title): We've received over 10,682 sharings so far for the daily reader. The January issue of *The Forum* included an "Inside AI-Anon Family Groups" article describing the differences between a daily reader sharing and a sharing for *The Forum*, in hopes of clarifying this for the fellowship and attracting more sharings. Provided that members continue to submit additional sharings, we hope to begin looking for a writer/editor for this project by the end of this year. No deadline has been set at this point for submitting sharings, and no publication date has been proposed.

New Addition to *The Forum*: In January, *The Forum* began adding several questions about the Step of the month to the "Instant Meeting" department of the magazine to encourage discussion when used as a meeting topic.

Requests for More Sharings for *The Forum*: The Forum continues to be in shortage of sharings about each of the Steps, Traditions and Concepts of Service for use in the back pages of the magazine. Because of the need for Canadian sharings, in April the WSO staff contacted Canadian *Forum* Coordinators and Delegates to encourage them to hold *Forum* Workshops in their Areas.

THE FORUM BOOK (working title): So far, members have sent in over 441 titles and publication dates of Forum articles that they consider the best of recent years. Please keep encouraging members to let the WSO know which Forum stories they want to see included in this book. And don't forget to send in your own selections!

Hello NYN,

My age is catching up with me, or maybe it's just bad habits, like relying on my memory. I sent out at least two topics at different times for June's *Northern Hi Lights*. The first one I didn't think I'd sent, and couldn't find where I'd sent it. It was sent alright, and then I sent another, and maybe another. So there it was to confuse all the officers and coordinators, and humble me.

One of the topics sent was "How important is it?" It sure seemed appropriate when I realized what I'd done. It shouldn't be that important, should it? With other errors made, maybe doing this before, I was able to keep it in perspective. The worst part was getting articles on different topics, and feeling responsible for others looking like it was their fault, and what to do about it. Ultimately, I know that no one will make a big deal out of it, except me, of course.

For all the ways that Al-Anon has changed my life for the better, I will keep coming back for as long as I can!! My family cannot understand why I continue to attend Al-Anon since I am no longer living with alcoholism. I try to explain how very important Al-Anon is in EVERY ASPECT of my life. I have learned so much about myself, and plan to continue to peel the layers of myself to obtain that ever-deeper understanding....understanding that I will never be perfect....that I will always be a work in progress!! THANK YOU, AL-ANON!!
Hugs,

Convention Coordinator

Hello NYN,

There's a Big Opportunity awaiting that **special District** that steps up and says;

“Yes, we can host the 2019 Spring Assembly/Convention. So what are the steps?” you say.

After thinking it over, check the nynafg.com home page and click on **Area Information and Forms**. Halfway down the screen, click on **NYN Area Convention Guidelines**. Nine pages on how to Host an Assembly/Convention.

After discussing with your District and everyone says, **“Let's go for it!”** contact me, and at the August AWSC meeting we will surely approve of taking your motion to 2017 September Fall Assembly for a positive YES vote. When approved, the first step is to secure a hotel. If you have a couple of members available this summer, they could look at what hotels there are in your district, and check them out. Not to minimize it, but the only cost would be their time.

Yes, it is a big job, but it really can be fun, and for me always a great learning experience and a time to bond with my district members.

And of course, all of NYN members who spent May 19-21 in The Millennium Hotel in Buffalo area are saying Thank you, thank you to District 12.

Awesome!!

2017 Fall Assembly (flyer in newsletter & on WEB) hosts say make your hotel reservations ASAP. Big activity in Syracuse that weekend.

My Future in Al-Anon: When you get to be one of the “elderly” we definitely take it **One Day at a Time**, but that's what my sponsor told me many years ago and it works, so I guess that's what I'll keep doing. Just about the best suggestion I have ever been given.

Nancy H.

Immediate Past Delegate

Dear NYN Friends,

Signups for the New York State Fair booth will begin on or about June 1st. As in the past all you have to do is visit the New York North website, www.nynafg.com. There will be a link to the Signup.com website. You will be able to sign up there for whatever day and time you wish.

As I have said before this year's fair has been expanded to 13 days. It will run from Wednesday, August 23rd through Monday, September 4th. As in the past we are looking for two people to man the booth during the 4 shifts per day. Again the shifts are 10:00 AM – 1:00 PM, 1:00 PM – 4:00 PM, 4:00 PM – 7:00 PM and 7:00 PM – 10:00 PM.

This is a great public outreach project for New York North. It will only work if people volunteer to man the booth. Please sign up for a shift (or more). Try to sign up early but by August 1st at the latest. We need to mail your entrance ticket to you in a timely manner.

When you sign up please make sure to provide your name and address, it's the only way I know to mail your ticket to you. You can always contact me with that information, send to ipd@nynafg.com.

I can't wait to see you all at the fair. We will have lots of fun!

This month's theme is, “My future in Al-Anon.” I have to admit I hadn't really thought about my future in Al-Anon, I just think of it as a part of my life now and in the future. I can't see a point where Al-Anon is not a part of my life.

I know for me my meetings are a big part of my daily life as are my Al-Anon friends. I try very hard to live a 12 Step life. Sometimes I do it better than other times but I know that is progress, not perfection.

I want to continue in service. Since Al-Anon has made such great changes in my life, I want to do all that I can so that it is there for others. There may come a time when I think I have done enough service and step back, but for now I can't see it.

Gratefully in Service,

Ruth S.

Archives Coordinator

Hope everyone enjoyed the Spring Assembly/Convention. Thanks to District 12 for hosting. Wanted to pass along some info sent from Diane, the NYN Delegate. In this month's I *Group eNews*, there are instructions on how to download a free audio file of an interview recorded in 1982 with Lois W. (AI-Anon's cofounder), Henrietta S. (the first General Secretary of the World Service Office), and Margaret D. (the first editor of *The Forum*). You can find it by following these steps:

- Go to <http://www.al-anon.alateen.org/members/user-login>
- Enter your group name, followed by AFG as your password. (Example: Easy Does It AFG or mondayafg).
- Click on "WSO" on the home page choices.
- Click on "Inside the WSO."
- Click on "History of the WSO and AI-Anon."
- Under "Archives," click on "Lois W. and the Pioneers Audio Interview."

I'm looking for photos and longtime members' questionnaires. In general, contact me if you have anything you think would be a good addition to the NYN archives before bringing to an assembly or other event, to ensure they are appropriate. This month's topic is "My future in AI-Anon?" I am not sure what my future will be or where my recovery will take me. Five years ago, if you told me I would be living in Albany, NY and be NYN Archives Coordinator, I would have said you were 100% wrong. No way would I be living anywhere but Washington. HP had other plans for me. As I work the program, I am seeing my recovery grow and change. I used to go to 5 to 6 12

Step meetings a week. I worked and studied the Steps with my Sponsor. Today I do not go to as many meetings as I used to. My recovery is coming from Service and Sponsorship. I am working the Steps and studying the Traditions with my sponsor. I get so much recovery from being a sponsor. This is where my recovery is at right now. I believe my recovery will keep me in service and I will hopefully have the opportunity to do many service positions. I get so much growth in that. I don't actually know what my future will be in AI-Anon, but I know recovery is a journey and I am open to where HP will take me.
