

LITERATURE COORDINATOR REPORT – FALL ASSEMBLY 2009

I have lots of news to report regarding upcoming CAL projects and information available for you that you can use in meetings or days of sharing. I will also be participating in an upcoming Literature Coordinators conference call with the WSO on September 30, 2009.

There is still time to submit ideas for the literature project using *Alateen-Hope for Children of Alcoholics* (B-3). **The deadline is October 15, 2009.** The next literature project is using *Discovering Choices* (B30). The deadline for submission is **January 15, 2010.**

I also mentioned last month that there is another book in the works surrounding the history of Al-Anon and will focus on the Al-Anon story from the perspective of Al-Anon members including those whose personal progress involved working in Al-Anon service on the challenging issues of their day. The deadline for submissions is **October 31, 2009.**

Forms for all of these projects will be available at the upcoming Fall Assembly and through your District Representative. Also included in the DRs packets will be the materials for workshops using *As We Understood* (B-11).

Be sure to check out the WSO website for meeting topics inspired by *In All Our Affairs: Making Crises Work for You* (B-15). All of these literature projects help to inform members of all the CAL literature available to them and please encourage members to participate by submitting their ideas to the WSO.

See you at the Fall Assembly along with CAL.
