

2011 NYN Fall Assembly Report

Are you all getting busy deciding and carrying out what your Public Outreach Projects are going to be. Let's bring back lots of hands with all our projects on them back to the Fall Assembly to place on our Area Public Outreach Board . Just a Reminder that September is " Recovery Month" What a great month to do some more Public Outreach work. Did any of you order the 2011 " Al-Anon Faces Alcoholism" our public Outreach Magazine? If you did that is so great now lets get them all out before the end of September. How about order sum of our great pieces of free literature that is available at your local LDC's or the WSO to go along with those Magazines?

Love in Service

Sherry S.

NYN Public Outreach Coordinator
