

GROUP RECORD

August 18, 2010

The summer is over and I am trying to catch up with all the changes. Just a couple of things to report and or request...

It will be very helpful for all, if all changes are submitted on the GR 1 form which can be found on the member's web site. I am trying to get it posted on the NYN Web sight. I have received too many single line changes to tell me a new GR for the Group Alanon Forever with no indication of were the group is located.

If information is sent via e-mail please format it according to the GR 1.

When I send information to DR's they can make changes to their copies with notations and return them to me.

We lost 19 groups and gained 9 new groups.
We now have a total 321 groups, of which 28 are ATG, 25 are AAC with the remaining 268 being AFC.

Hope everyone had a great summer

As always KISS

Keep it simply simple
