

2011 Spring/Assembly Public Outreach Report
May 21,2011

Dear NYN Family,

Things have been kind of quiet for me in Public Outreach until the last few days. I received two notices from the WSO. I received one by mail and one by e-mail.

1. Mail—I received a wonderful new DVD Video called “Al-Anon and Alateen’s Role in Family Recovery” . The item number is av-31 and the price is only \$5.00.The Video is a Public Outreach tool for members to show to three primary audiences:
 - 1.Adults who might be affected by someone else’s drinking
 - 2 Teens who might be affected by someone else’s drinking
 - 3.Professionals who might be in a position to refer patients, clients, Customers ,and students to Al-Anon and Alateen meetings.

The video has an on-screen menu that offers two choices:

- 1.Full 10-12 minute programs for each primary audience
- 2.Mix-and match programs

The full 10-12 minute programs are the easiest to use. As soon as you click on a title, it plays the full program for the audience you selected. Please look at all the choices a head of time before you choose which segment to use. The DVD can be play on any equipment designed to play a DVD. I hope many of our Groups order this DVD and find ways to reach out and show it to audience still suffering from the effects of someone else’s drinking.

2. An E-mail about Dear Abby which Kathy is also posting on the Web site. I also sent an attachment by e-mail to all the officers and coordinators and DR’s . Check it out. Let keep our eyes and ears open for any calls for help. If and newspaper run the add please call and thank them.

I hope to see you all at the 2011 Spring Assembly/Convention next week in Johnstown

Love in Service
