

Literature Coordinator Report – AWSC mtg. March 24, 2012

What's new?

A newly revised 12 page pamphlet called "Parents of Alcoholics" (R-18). This reprint is from recent stories published in the The Forum. This pamphlet shares the experience, strength, and hope of parents in facing the challenges of detachment, responsibility, guilt, and letting go. It is available for \$1 from your local Literature Distribution Center or through the Al-Anon on-line store at www.al-anonestore.org.

There is also a conflict resolution card (S-71) available. It is laminated and folds up to business card size. This too is \$1.

How Al-Anon Works, hardcover (B-22), is at the printers now and is getting an extra page (p.18). It includes an in depth explanation of the 3 C's.

In the Works

How Al-Anon Works, softcover (B32), is meant to be passed on to newcomers. Are you encouraging your groups to "pay it forward"? The cost is \$5. A reminder, there is a 1 yr. trial period for this idea.

Legacy workbook is coming along. What WSO really needs is personal sharings on the Concepts. (They have enough sharings on the Steps and Traditions.)

Regarding intimacy sharings, although there are over 100, WSO would like another 800-900 for diversity. There is no deadline at this time. WSO would like sharings from the heart on all aspects of intimacy. I've included some sharing sheets for the planned book on intimacy--working title "*Intimacy in Alcoholic Relationships*"--on the NYN website.

Sad News

CAL, our bookworm at WSO, has retired due to being worn-out!

Pat H.

NYN Literature Coordinator
