

NHL Report AWSC Meeting 3/24/12

I am happy to report that I am now able to produce the newsletter on my own computer, and other than working out small glitches it seems to be going pretty well. "Together We Can Make It" is a favorite reminder for me whenever I think I have to do it all alone. I have been given the gift of so much support and encouragement in taking on this new position that the anxiety and uncertainty has all but faded away. I now see it as a blessing to me and a growth opportunity for which I am truly grateful.

Re: New Format of NHL

I have received 5 emails and several comments back in favor of the new format including:

- a) like having next issue's topic in current issue (allows time to reflect on it), but would like it a little bolder or highlighted
- b) likes clean look and index on left side of front page
- c) likes having delegate panel number included in delegate heading

I have been asked **what members can do to support NHL**

- a) best way is to ensure that members are reading and sharing what is in each issue
- b) check to see if your group is up to date on paying their yearly subscription of \$7.50
- c) encourage your group and all interested members to sign up for email versus snail mail subscriptions for instant delivery, cost savings, paper savings
- d) 100% participation of officers and coordinators sending in articles and keeping the communication going

I am always open to any and all suggestions, concerns, or ideas you have for YOUR newsletter.

Thank you.
