

Report from Immediate Past Delegate

Elaine R.

Spring Assembly: May 19, 2012

Since becoming the IPD, Immediate Past Delegate, I have written and submitted five newsletter articles for the Northern Hi Lights with the focus on the suggested theme from our newsletter editor, Gwenne.

In March, I attended the 34th NERD meeting in Mystic, CT. along with Connie D. and Anne F. both past NYN delegates. The purpose of the meeting is to welcome the incoming panel of delegates from our North East Region and to help them prepare for their first World Service Conference. This is an opportunity for the new Panel #51 delegates to meet the other current delegates from the region; so that when they arrive at their first WSC there will be some familiar faces.

It is also an opportunity for all current and past delegates to hear an update from our current Regional Trustee Anne F. a past NYN Delegate and our current Regional Trustee. Anne is currently in her first three year term as a regional trustee. We are all eager to hear what is happening at the WSO.

I have reviewed the materials for the New GR meeting, created a packet of materials and held my first "New GR" meeting at 8am this morning. These meetings are held at each Assembly on Saturday morning at 8am; if you missed this morning meeting, please plan on attending the meeting in the fall. Be sure to get you packet of materials today if you are a new GR and missed the meeting. " We want you to succeed" and I hope this packet of information and the meeting will help you have a good experience as your group's GR.

Any questions?
