

Letter to Prospective AMAIS

(AI-Anon Member Involved in Alateen Service)

Dear AI-Anon Member

Taking on the responsibility of becoming an AMAIS (AI-Anon member involved in Alateen Service) is a serious commitment. Please take the opportunity to review the NYN Alateen Requirements and Guidelines to make sure you are comfortable with the expectations on this important job. These can be found on the NYN website at www.nynafg.com and are listed under NYN Policies and Guidelines; they are the first item posted.

If you have any questions about anything in the NYN Alateen Requirements and Guidelines which you do not understand or are uncomfortable with please contact your District Representative or the NYN Area Alateen Coordinator.

Your current NYN Area Alateen Coordinator, can be reached at:

Alateen@nynafg.com. If you need a mailing address please see the last page of your groups Northern Hi Lights.

I have enclosed the AMAIS application and the group registration to be completed and returned as stated on the forms.

I hope you decide to take on this part of your AI-Anon program and that it leads to a wonderful growth experience for you; just as it has for me.

With Appreciation,

Lynda S.

NYN Area Alateen Coordinator
