

NYNAC COORDINATOR REPORT SPRING CONVENTION 2013

- Packets to attend this year's NYNAC are complete and are in the coordinators folders. I will be sending out packets in June to all current Alateen groups in our area.
- If you are a new group and are planning on attending NYNAC, I will need your contact information by the end of May.
- I am in need of a Nurse or Medic to attend this year's NYNAC from 10-11 to 10-13. Please contact me if you are interested or know of anyone who would be able to fill this position.
- Should we be updating the current NYNAC guidelines dated 1999? They were put into place when we were holding the convention at WATSON HOMESTEAD FACILITY. Some of the rules and regulations apply to items specific to WATSON's Facility. For example room assignments are for the rooms used at WATSON. Is this something I can update?
- ATTENTION ALL CURRENT OFFICERS AND COORDINATORS. Have you been to NYNAC yet? This year's NYNAC will be one to remember! I cannot give away any secrets but this year's topics are very interesting and creative. Please think about coming this year. In the years past most everyone waited until the last year to attend.
