

NYN AREA 39 GROUP RECORDS SPRING 2013 REPORT

Welcome to spring. The winter has been holding on to long. I have survived the winter.

My report will be short and sweet. At present time we have:

21 active Alateen groups and 295 Active Alanon Groups, 3 of the Alanon groups are in a no-mail status.

It is extremely important that all changes at the group level be transmitted to me via a GR1 Form. This can be done either via email or snail mail. The GR1 form is available from either the area web site (<http://nynafg.com/>) or the Alanon member's site (<http://al-anon.org/members/>). Instructions are available at both sites to assist.

Have a great summer, sorry I can't be there this weekend but will see everyone in the fall.
