Here's an update on what I have been doing.

- Involved with the finance committee.
- Gathered information for the tasks force/committee that was formed to put a policy into place related to Members involved in Service Work Who Are Unable to Effectively Fulfill the Responsibility of the Position.
- Wrote my newsletter articles
- Sent out communication for AWSC meeting
- Created the agenda for this meeting.
- Kept in contact with the Fall Assembly committee
- In the process of compiling the results of the Assembly Inventory taken at the Spring Assembly. Hope to have that completed by the Fall Assembly. .

Some of you may have gotten an email from me as well as a hard copy of the AWSC meeting announcement. If you got both that's because I didn't hear back from you when I sent the email out. If you could all respond to the NYN AFG communication emails I would really appreciate. Your response can be as simple as I got your email or I'll be there or I can't make the meeting. If you didn't receive an email from me please let me know. I received a few emails back as undeliverable and a one from the Post Office. DR's, I' going to circulate a sheet for you to give me your contact info again so I know it's up to date. Officers & coordinators if you didn't get the email please let me know as well.
