

Alternate Delegate/Forum Report  
Fall Assembly 2013

Since the Spring Assembly, I have written welcome letters to one Alateen and two Al-anon Groups to our New York North Family. Welcome and I hope you will let us know you are here today to represent your group.

I continue to write articles for the Northern Highlights to inform groups and members of the importance of the Forum and that your contributions both Financially as well as submitting stories is what will keep this important recovery tool alive.

I am working with our Delegate and others on the **Thought Force on Dim and Dark Districts of NY North** whom we have not had any representation to any of our Fall or Spring Assemblies in a long time. So far, we have identified these Districts and have tried to visit them. . This is still a work in progress. If you know of any groups, close to you whom you know have not attended any District or New York North Assemblies lately, please visit them. Ask what can be done to encourage them to participate. When our Thought Force learns what keeps people from participating we then can then possibly come up with a Solution. We want to be encouraging to all groups in New York North and let them know they are a vital part of the Links of Service.

I have been busy this summer working on the Fall Assembly Planning Committee and we hope you will find things interesting and fun.

As in Assemblies Past, I invite you to place your name into our drawing for a Free Subscription to the Forum. The name of the person will be drawn this afternoon at the end of the Assembly.
