

Outline of Delegate's Report to the 2014 Spring Assembly

World service Conference: Our Spiritual Principles in Action

Financial:

- Auditor's Report
- Proposed Budget
- Group Contributions

Chosen Agenda Items:

- How can we encourage more participation in service in our groups including stepping up to service as a Group Representative and having members sign-up to lead group meetings? How can we inspire service in AI-Anon?
- What strategies have been used to address obstacles to success when they arise at the Area level? The three obstacles to success lead to dissension when the principles of our program are not foremost on everyone's mind, not only at the group level, but also at district and Area levels. Dealing with a member (who holds elected positions) that is out of control, dominant, disrespectful, micro-managing everthing and everyone; someone with no regard or respect for the feelings and/or anonymity of other members. What is the best action to take to preserve personal integrity and that of the program?

Reports from Thought and Task Forces:

- Thought Force: Create Strategies on the Importance of a Home Group
- Thought Force: Technology as more Inclusive rather than Exclusive
- Task Force: Compilation of Area Guidelines for Trusted Servants Not Fulfilling Responsibilities
- Task Force: Develop a Script or Workshop to Encourage Discussion about the Difference between Principles and Procedures in AI-Anon
- Board of Trustee's Task Force: Use of Computers
