

NYN Area Public Outreach Coordinator Report
NYN 2014 Spring Assembly/Convention
May 16,17,18, 2014

Dear NYN Family,

I have been a little busy getting used to doing reports and answering request from the WSO again. I am in the process of updating my records and have tried to answer a request from the WSO. By the time I see you all at the Assembly/Convention I hope to be caught up and acclimated into serving you all in my position again.

Love in Service
Sherry S.
