

NYN Alternate Delegate/Forum Report

Just a reminder that it is the 60th Anniversary of the Forum. Please encourage your groups to continue to Celebrate by Using the Forum in their Meetings & by subscribing to it.

I have written an article in the September describing how the Subscriptions to the Forum have dropped and many of the newer members are not aware of it at all. Also many members think that because it has not gone through the Conference Approved Literature Process it is not CAL & therefore it can not be used in Meeting. The Forum is CAL in Concept because each issue is reviewed by the Forum Committee making sure it meets CAL Standards. However it is a Monthly Magazine & can not take usually longer process.

I have Welcomed Two new Meeting to District 18. One is an AI-anon meeting and the other is an Alateen Meeting.

I continue to write Articles for the Northern Highlights & I am working with the Committee researching the Possibility of doing Public Outreach at the 2015 New York State Fair.

Please read the requirements for this Position and consider standing for it at the Fall Assembly, it has been a Blessing in my Life serving as your Trusted Servant in this Position.

Respectively Submitted,

Diane C.
