

### **AWSC Group Records Report March 29, 2015**

- We have 304 active Al-Anon Groups and 22 Active Alateen Groups in NYN.
- There have been two new Al-Anon groups one in Albany and one in Batavia
- I have written my reports and Newsletter articles for NHL
- I have participated in a conference call and a training session for Group Records.
- I continue to respond to requests from members for information.
- If you have any changes to your District or Group information please see me or email me at [Grouprecords@nynafg.com](mailto:Grouprecords@nynafg.com) so that I provide accurate information to others as needed.
- It is very important to have a group contact phone number for each group and if possible an email address. Some groups have started using a group email example: [yourgroupname@gmail.com](mailto:yourgroupname@gmail.com). It may be an option for some groups.
- If you or your group would like an electronic version of the Northern HiLights Newsletter, please see that I get the email address so that I enter that information into the database.
- Any questions?
