

Immediate Past Delegate Report**Spring Assembly/Convention****May 30, 2015**

My primary duty as Immediate Past Delegate is to facilitate the new GR's meeting on Saturday morning. This morning I led my first meeting. Thanks to the work on a number of Immediate Past Delegates there is a great packet that is given out to the new GRs. The packets contain a lot of materials from the WSO, pamphlets, bookmarkers and Al-Anon Guidelines. Also in the packet are some materials developed by NYN Action Committees over the years. If you don't remember receiving one or if you have lost it ask a new GR if you can look at theirs. There is a lot of really good information for all of us.

I am currently serving on two committees. Each met yesterday evening before the AWSC meeting. They are the Web Committee and the Finance Committee. I served on both during my term as Delegate and look forward to continuing to serve.

I am chairing the State Fair Task Force. I am so excited that our application to exhibit was accepted. It will be a great public outreach for all of NYN. A separate report will be given today. I hope you will all get as excited as I am that you will bring the information back to your groups with enthusiasm, encouraging all to get involved. With members getting involved we can have a great experience at the State Fair.

Gratefully in Service,
Ruth S.
