

Group Records Report 4-30-15

I have printed off active groups for each district and it will be available to each DR or representative for their District here today at the Spring Assembly. Please check all the information enclosed. In the future, I can best send this information by email to the requesting DR of the district. If you do not have email please contact me by phone or snail mail. My address and phone number is available on the Northern HiLights.

I will be here all weekend so if you have any questions, please come find me or speak to me at the assembly.

Love in Service

Lynda S.
