

Immediate Past Delegate Report
Fall Assembly, September 19, 2015

Today's report is pretty much the same report I gave at the August AWSC meeting. I have worked on the packets for the new GRs. I have removed references to Action Committees as they are no longer part of our assemblies.

I continue to write my articles for the Northern HiLights. I am also serving on a few committees. These include the Finance Committee, Trusted Servants unable to effectively fulfill their responsibilities and the Web Committee. I am currently chairing the State Fair Committee.

Respectfully submitted,
Ruth S.
