

## **Immediate Past Delegate Report**

**AWSC April 2, 2016**

March 11 -13, I traveled to Cromwell, CT with our current Delegate Diane C. We had a good time. This is a great gathering on current and past Delegates from the Northeast Region. There were sharings from each Area in the region and a report from the Northeast Regional Trustee, Joan S.

I was the secretary for NERD this year. Having been secretary for NYN gave me the confidence to volunteer last year.

I continue to serve on the Finance committee, the Web committee and the committee on Trusted Servants unable to fulfill their responsibilities. I am chairing the State Fair committee.

This May I will be leading my third New GR meeting at the Spring Assembly/Convention. I might not be as nervous this time; the third time is a charm.

Respectfully submitted,

Ruth S.
