Web Coordinator Report 2016 AWSC

My responsibilities include updating NYN meeting information online, preparing Assembly/AWSC minutes and reports for the website, maintain the NYN Online Events Calendar linking any flyers received for the event, and to respond to the NYN Contact Us Emails.

The NYN Contact Us emails routed to me through the web site continue. Most are inquiries to find an Al-Anon meeting. Some are from groups for information in the district or area. Others notify of upcoming events like days of sharing or assemblies in other areas. Below is a table showing the number received per month.
