

**New York North
2016 Spring Assembly
May 14, 2015
Archives Coordinator Report**

I am continuing to receive Longtime Members Questionnaires. Thank you for sending them in and keep them coming. I think it's a good way to capture the history of NYN from a member's perspective. The questionnaire can be found on the NYN website under Area Info (http://www.nynafg.com/area_info.html). You can email them in or send them in the mail.

Also, I had a fellow AI-Anon member help me organize the Forums and I put a display together for the Spring Assembly. The Archives has Forums from 1969 to 2008. I would like to fill out the rest of the years, so if you or your group has Forums from 2009 and on and would like to donate them to the Archives, please email me.

I had one member contact me about old Forums (earlier than 1969) and other old Literature. I will be adding these items to the Archives. If you have something you think would be a good addition to the NYN Archives, please contact me to ensure they are appropriate before bringing to an assembly.

I was originally thinking of displaying pictures of past NYN activities, as I found one notebook of old photos. I had thought there were more and in looking at some of the older NYN minutes, it seems at one point they were being placed on CD. I could not find any CDs in the Archives. So if you have old photos from past NYN events, I would like to get them in the Archives. Again, email me and we can discuss.

Email: archives@nynafg.com
Other contact info is in NHL, but email is best.

Yours in Service
Kevin M
