

TREASURER'S REPORT  
NYN SPRING ASSEMBLY  
MAY 14, 2016

Hello NYN!!

Since the Fall Assembly, I have continued to write my articles for the Northern HiLights newsletter, listing the donations from each group/district, as well as the expenses paid, and the current balances of our regular checking account, the reserve checking account, and the Sage Ruddy mutual fund account. I also write a paragraph on the topic of the month.

The April 2016 issue of the Northern HiLights contained the annual NYN Area Assembly annual appeal, seeking increased donations, if at all possible.

I have also helped new Assembly/Convention Treasurers in their quest to set up bank accounts for their upcoming event.

The 2016 Budget, which was voted on and approved at the Fall Assembly, was a topic of discussion at the April 2 AWSC meeting. However, final outcome of that discussion was to leave the approved Budget as it was voted on.

The non-profit organization tax return has been prepared and submitted.

Expenses for the NYS Fair have begun to come in and be paid.

Thank you for the opportunity to serve NYN as Treasurer.

Are there any questions?

Respectfully Submitted,  
Linda A  
NYN Treasurer
