Archives Coordinator Report**

I wanted to let you know about a service that WSO provides. A group was looking for the beginning date of their meeting. WSO will research group information for you. To do this, you just need to filled out an AR-9 form and send it in. They filled it out and sent it in and discovered their meeting and been around for over 50 years!

Before filling out a AR-9 form,

- 1) Contact your DR first as they has access to the WSO group details report which will contain some group information.
- 2) If no DR or having trouble accessing the WSO site, contact the NYN Group Records Coordinator, Lynda S., records@nynafg.com. She can send you a group records report.
- 3) If still can't find the information you are looking for, fill out the AR-9 form.

Email me at archives@nynafg.com if something your group may be interest in.

I ordered a subscription of the Forum for the archives, so have copies going forward. Still looking for older issues. Contact me if you have issues older than 1969 or later than 2009 you would like to donate.

Always looking for Longtime Members Questionnaires. I plan on having a display for the 2017 Spring Assembly/Convention using the questionnaires. The questionnaire can be found on the NYN website under Area Info (http://www.nynafg.com/area_info.html). You can email them in or send them in the mail.

Also looking for any photos you may have a past NYN events. There aren't many in the Archives. Contact me if you have some you would like to pass on.

IN general, contact me if you have anything you think would be a good addition to the NYN Archives. Please contact me to ensure they are appropriate before bringing to an assembly or other event.

Email: archives@nynafg.com

Other contact info is in NHL, but email is best.

Yours in Service
Kevin M
