

Mid 2016 has been quiet. The number of NYN Contact Us Emails are down. A statistical chart is included below.

The main topic for these emails is AFG meetings and their locations. I urge all GRs to go to our web site. Make sure your home group is listed. Make sure it is listed correctly. Help people find your Al-Anon meeting.

There are questions about creating Face Book pages. There are WSO Guidelines for such a page restricting them to Areas only ensuring adherence to the 12 Traditions and anonymity. If one is created, maintenance would fall under the job description of the Web Coordinator. Our groups are asked to discuss the feasibility and benefits of such a project.

NYN Contact Us Messages
