2019 Spring Assembly/Convention & 2019 Fall Assembly Host: Districts are considering and hopefully will be standing up at AWSC meeting and saying "Yes, we can do that".

And I must admit when someone e-mails me with a problem/question/looking for a solution, I e-mail back with my ideas/solutions/references/experience, but the truth is I usually also cc 3-4 other Al-Anon members who I consider wiser, more experience and they share their ideas, thoughts, wisdom. What I have learned in Al-Anon is we are never alone. Together we can make it ... and it's good. Thanks to each of you!

Nancy H.
