

**Immediate Past Delegate Report**  
**AWSC Meeting August 19, 2017**

The New York State Fair begins on Wednesday, August 23. That's just 4 days away. While most of the shifts have been filled there are a few that do need to be filled. I have my laptop with me today. Please see me about signing up for one of those empty spots. The Fair does want booths manned whenever the buildings are open.

This is the biggest public outreach project that is done in the Area. Who knows how many people will see us at the fair. Who knows how many seeds will be planted and when they will bloom.

Along with the pamphlets and schedules the 2017 Al-Anon Faces Alcoholism will be available at the booth.

I continue with my other duties as Immediate Past Delegate.

Respectfully Submitted,  
Ruth S.
