

**NYN Public Outreach Coordinator    AWSC meeting    August 19<sup>th</sup>, 2017**

- September is National Recovery Month, a chance to pass along our new 2018 Al-Anon Faces Alcoholism magazine.
- In our Group eNews for the month of August there is a great suggestion on how to host an open Public Outreach Meeting for professionals—take a look! For more information, refer to **The Open Al-Anon Meeting** Guideline (G-27).
- We continue to carry the message of Al-Anon through recovery houses, Pre-Trial Services, presentations to professionals, outreach flyers, libraries, the NY State Fair, etc. I hope that someone is thinking about standing for Public Outreach Coordinator so that we can continue our project of “hope”.

Together we can make a difference.

Pat H.

Public Outreach Coordinator for NYN
