

Group Records Report Fall Assembly 2017

I continue to work on updates of groups in New York North. I have been able to set up a routine for getting the information that affects the people who work on schedules and the 3 AIS's (Area Information Service) in order to keep everyone informed. If you have any information that I might have missed please let me know as soon as possible.

I am looking forward to working with the person who is elected the new NYN Group Records Coordinator. I wish our whole new panel the very best in their term and journey in growth in Al-Anon. It is truly an awesome experience, mistakes and all. Thank you all for allowing me to serve NYN in this position.
