

Alateen Coordinator's Report to May AWSC

Since the last AWSC meeting I have been in phone and email contact with Al-Anon members seeking Alateen speakers and AMIAS certification. I was able to help by supplying a list of group contacts, or directing them to our AAPP.

Until the Spring Convention I will be planning the Alateen Interest meeting for Sunday morning.

Respectfully submitted,

Sandy A.

- PS I also read a request on AFG Connects for Alateen meetings in two NYS towns with which I was unfamiliar. It gave me a chance to use the "map app" on my new iPad! I learned that the Alateen Coordinator in NY South should be taking care of that.
