

Immediate Past Delegate Report  
Spring Assembly 2018

I have been working on the paperwork to Register New York North to have a present at the New York State Fair, August 22, -September 3, 2018.

I will be working with the Web Coordinator to set up the website where members can sign up to volunteer to cover three hours each shift for the 13 days of the Fair. . We will also offer you a free ticket to enter the Fair but the parking will be on you own. More information as to how to register will be appearing in the Northern Highlights. Please consider participating as this is a wonderful Public Information Opportunity for NYN.

I am also preparing to chair the New Group Representative meeting at the Spring Assembly& working with the Finance Committee.

Diane C.  
Immediate Past Delegate
