3 flyers posted to website

Officer and Coordinator reports received and converted to PDFs with renaming files and posting to folder on Website

Read threads to AFG Connects sent to Web Coordinators

Checked the Northern Hi Lights for last names and personal information before posting to the Website.

Attended Al-Anon International Convention in Baltimore and attended all sessions available on Web or Internet meetings that were available. This included the Day of Connection before the conference where Scott, our World Service Office Web Coordinator, spoke about his background, his job and changes made to WSO website and the need to change the role of the Internet with attraction and information the key to each change in the website. Scott is connected to area web coordinators through AFG Connects.
