

Area Alateen Process Person

The AMIAS Recertification Process is complete and there are some new numbers to share. The number of Alateen groups has increased from 29 to 31. Of those registered groups, 18 are listed as active. Last year, NYN had 86 AMIAS. We currently have 81 certified AMIAS, Al-anon members in Alateen service.

New guidelines for Alateen were developed during the past year. They require that any District Representative, who has active Alateen groups in the district, must also be an AMIAS. At this point, there are 11 districts where this is not the case. The forms for becoming an AMIAS will be in the mail to those who need them.

Respectfully,
Mary Beth G.
