

We are currently operating with a skeleton crew as most service positions remain unfilled (Chair, Alt Chair, Alateen, Public Outreach, and Service Center). This has impacted our ability to actively pursue Public Outreach projects.

We continue to hold business meetings every two months, participate in a limited number of public outreach events, and periodically publish a newsletter. Our Service Center remains open and is staffed by dedicated volunteers. Our website and meeting schedule are kept current.

We will be holding an Open House on Saturday, October 6<sup>th</sup> from 1-3pm at our Service Center. This is an opportunity to meet our volunteers and visit the Literature Depot (LDC). This year, we are excited to announce that there will be a speaker. Sheila, Past Rochester AIS Chair, will share on her service experience. All Al-Anon members are welcomed to join us!

Yours in Service,  
Kathi D
