

**NYN Area Assembly
AWSC Meeting 3/30/19
Chairperson Report**

NYN is still in need of an AAPP to fill the vacancy that arose when Mary Beth G. had to resign. Currently Walt S. is filling in but he can not do this job on an extended basis. Please talk with members in your districts so that we can get this position filled. You can talk with Walt if you have any questions about the job duties.

Things are going well with obtaining COIs (Certificate of Insurance) for groups and events within NYN. All requests have been completed within a few days of the initial request. It is working well just having one person contacting the insurance agent with requests. I have talked with the Group Records coordinator about taking over this job duty. She has no problem with doing this. It will be discussed at the AWSC meeting.

The revised guidelines for Alateen have been returned from WSO. They are posted on the NYN website for all members to review. Please point this out to members in your district so that there can be an informed discussion and vote at the spring assembly.

Gratefully in Service,
Ruth S.
