

AWSC PUBLIC OUTREACH REPORT    MARCH 30,2019

Hello All,

- I continue writing my articles for NHL and following articles for Area Public Outreach Coordinators on-line.
- I am working on my presentation for the Public Outreach position for the Spring Assembly.
- Have received an order of *Al-Anon Faces Alcoholism*, second printing, in English and some in Spanish for the Spring Assembly.
- Am working on a list of suggested projects for public outreach for groups, districts or individuals for the Assembly
- **HELP:** I am looking for a contact person in Herkimer County. There has been a request for starting a meeting at Catholic Charities in Ilion, NY. At present, I do not believe there is a District Rep for District 6. If anyone has a contact person, please email me at po@nynafg.com

Will be thinking of you all while I am in sunny California! See you in Rochester.

Together we can make it,  
Connie D. NYN PO
