Patti – NYN Group Records Coordinator was on top of the questions coming to NYN website dealing with any group records question. Thank you, Patti.

I have written my articles for the Northern Hi Lights Newsletter and proofed the web versions for last names or any other identifying information.

I am posting officer and coordinator reports to the website as they are sent to me.

Several events have also been posted to the website's *Events Calendar* this year. Save the date for the Fall Assembly, is now on the events calendar.

Our Website Committee meeting will be 9 – 10 am before the AWSC meeting. All are welcome to attend this meeting.
