Currently writing my report for 2019 Spring Convention/Assembly and posting other Officer and Coordinator Reports to a file on our Web Server.

The Web Committee met before the Spring AWSC meeting. Kathi showed the committee a theme she has been working with for our new website. She will purchase this theme/support for a onetime fee of \$50.00, this change will give more flexibility to our website. **The web committee will be meeting at 7 PM on Friday night before the Spring Convention/Assembly AWSC Meeting. All are welcome to attend.**
