

AWSC-ALTERNATE DELEGATE REPORT-August 10, 2019

The last new group was welcomed on the 13th of May. The total new groups welcomed was 15 since I started this position.

In May, the World Office recorded 101 *Forum* group subscriptions and 697 other subscriptions which is a total of 798.

In June, the WSO recorded 102 Group subscriptions and 694 other subscriptions, which is a total of 796.

In July, the WSO recorded 98 Group subscriptions, and 679 other subscriptions, which is a total of 777.

As you can tell the number of subscriptions continues to decline. I hope all of your groups are getting the *Forum*. The Forum is also printed in both Spanish and French 6 times a year. (al-anon.org/pdf/SS53.pdf) (al-anon.org/pdf/FS53.pdf)

The *Forum* needs sharings from men on their experience, strength and hope as husbands, partners, fathers, brothers, and sons from which others could benefit. They, also need sharings on Sponsorship, both as an Al-Anon sponsor and/or an Alateen sponsor. In addition to those, they need sharings on The 3 Legacies: 12 Steps, 12 Traditions and The 12 Concepts of Service.

In June on pages 22-24, there is an article regarding the discontinuation of Conference Approved Literature and whether it can still be utilized in meetings.

In July on page 23, the *Forum* is resurrecting the Talk To Each Other department, where you can submit a question or concern regarding something about the Al-Anon program. Send it to: wso@al-anon.org. Put **TTEO** in the subject line. In later issues you will find responses from others who will share their experience, strength and hope on that topic.

Please remember that articles in the *Forum* are great tools to use as a topic for a meeting.
