- **“NYN Website “Contact Us”** http://www.nynafig.com/contact_us.html activity since January 2020 is as follows: non-members requesting meeting information and 5 updates to the meeting schedule.. During the months of the pandemic – stay at home months, I received no **“Contact Us”** messages.
- I do not make schedule changes without first contacting our NYN Group Records Coordinator who kept me informed during the months when groups changed from face to face meeting to conference calls or Zoom meetings.
- Please review the **job description** for Officer and Coordinator positions at <http://www.nynafig.com/pdf/jobDesc.pdf> . If you have any questions about the Web Coordinator position you can contact me or ask me questions at the Fall AWSC meeting August 1 at our Zoom meeting online. I shared in the last NYN Northern Hi Lights how much this service position has helped me grow in my personal program.
