

## **AAPP Fall 2020 Report**

Update for amias recertifications

90 letters were sent out in February and the deadline was moved from June 15th to August 15th in view of the covid 19 pandemic

On August 15th 16 amias's were inactivated

Considering all, there were only 8 no responses

8 have to finish paperwork and the Alateen training modules

3 of the 8 have completed the certification

One group was inactivated due to inactivation of the sponsor and cma but all are again active.

There are 16 active groups though some have not had a teen in a while and now there are the zoom meetings

since the pandemic.

There are 3 more groups w only one sponsor/cma so a total of 6 Alateen groups w one sponsor/cma
