

### **Fall Assembly Report for September 26, 2020**

The Rochester AI-Anon Information Service is moving forward during the Corona health situation.

Presently the AIS Rochester has 28 Zoom meetings, 1 call in meeting, 2 hybrid meeting and 6 Face-to-Face Meetings

The website is updated on a daily basis when new information is available. Presently the list of daily meeting locations and the meeting list has been temporarily removed. The main page has all the current information. When normalcy returns these features will be added back.

At the end of May we added a link on the main page of the website where a person could fill in a request to get a free "Welcome Newcomer!" pack mailed to them. As of this date we have sent 98 newcomer packets out with the farthest being sent to Seattle WA.

For the present the AIS monthly meetings will continue as Zoom. When the meeting location permits, and people are comfortable face-to face meetings will resume.

Presently we are looking to fill the following positions for 2021

- Vice Chairperson
- Treasurer
- Alateen Chairperson
- Website Chairperson
- Web Tech
- Newsletter Chairperson
- Public Outreach Chairperson
- Activities Chairperson
- Finance Chairperson
- Intergroup Representative

The Alathon FUNraiser was an overall success.

The AIS website is updated weekly and changes are done the same day as available. The website is mobile friendly. The website has had:

- 30,000+ visitors
- 124,000+ pages visited

To date this year.

Respectfully submitted  
Mel  
AIS Rochester Chair
