

# **Alateen Coordinator Report for NYN Fall Assembly September 2020**

We have had our Alateen Interest Meetings via Zoom every month. In May we talked how some Alateen groups are using e-communication during the pandemic. After that discussion I did a survey of the active Alateen groups. Through e-mail I asked what kind of e-communication their groups and members were using to stay in contact and what might be helpful.

The June AIM was poorly attended because I had a brain cramp and did not send out a reminder. Mary D. gave an update on Alateen form changes. Cerise's notes on the meeting were sent out. The next AIM will be Saturday am, July 18.

Respectfully submitted,  
Sandy A.
