

Hello NYN Members,

At this Fall Assembly in September 2020, NYN will be rotating service positions, (wow that was fast). Please review the link for the G-30 Guidelines for NYN Area Archive Coordinator. <https://al-anon.org/pdf/G30.pdf>

I found this position a valuable and rewarding experience for a first timer stepping up to the area level of service. I did it to the best of my ability, which thank goodness I did not have to do it perfectly or alone. I had loving support of fellow Al-Anon members and great online resources. I did not perform perfectly, thank you to my HP that this position allowed lots of wiggle room. I am sure the next archivist will enjoy the history as much as I did. Maybe digitizing a portion of the Archives would be great for the next Archivist or a great Archives Committee Opportunity. Just a suggestion, you can do it your way and to the best of your abilities.

This service position has been such a blessing in my recovery journey. Our monthly contributions to the Northern Highlights, was something I really enjoyed doing when I would remember or had the time to submit. I would really encourage you my dear al-Anon Member to consider standing for this position at NYN this September Zoom assembly, especially as a newcomer to the NY area level of service. It's a wonderful way to give back to Al-Anon.

Yours Truly in Gratitude & Peace,
Susan J
NYN Area Archives.
