

Immediate past delegate AWSC and the Assembly Report

Over the summer The New York State Fair administration continued to express the idea that they would be holding the 18 day 2020 Fair New York North was preparing to participate by submitting our payment for the Booth & start the process of getting volunteers, supplies & insurance to make this possible. . After a couple of meetings with the Officers & Coordinators in July it was decided to withdraw our application to participate this year due to the fact of the COVID-19. I contacted the administration of the Fair & was told they understood. They invited us to participate in 2021. The Fair was officially Canceled later by NY State Governor. In August I was sent an application to be returned by August 21st showing our intent to Participate in 2021. If we did not return it they would assume that we were not interested in Participating & we would have to wait until after the New Year to reapply with no Guarantees that we would be accepted.

I used the information from this year & will be able to update it when we have updated information.

On September 12, Several Officers & Coordinators will participate in a Zoom Meeting for New Group Representatives. . We hope that this will make them more comfortable participating in the Assembly and as they continue in their service work

On a personal level, being the Past Delegate has given me an opportunity to continue to meet new people, to expand my skill level, and to use the tools of the Program to carry out my duties. Blessings to all the new officers and coordinators whomever your Higher Power Guides to be willing to serve.
