

Web Coordinator

<http://www.nynafg.com/>

September has arrived and I am looking forward to several NYN meetings this month.

- On September 12, Diane C. invited me to the Virtual New GR Meeting to show participants how to get to our officer reports on the NYN Website (<http://www.nynafg.com/news.html>) and to get to job descriptions (<http://www.nynafg.com/pdf/jobDesc.pdf>) for Officers and Coordinators. The information on these two links will help members prepare for the 2020 Fall Election Assembly.
- On September 23, I will attend the Virtual AWSC Meeting.
- On September 26, I will attend the NYN 2020 Fall Election Assembly. I encourage you all to think about being the NYN Web Coordinator. We recover from our distorted thinking by using service to reach out and work with other program members, all of us practicing our program to accomplish the business of Al-Anon. It is also a way of paying back for the service others have done for us. Read the job description and come prepared with a resume listing your Al-Anon and life experiences that you feel qualify you to accomplish the tasks in this service position.

Since my Fall AWSC report I have:

- Received Officer/Coordinator Fall Assembly Reports which I rename then change to a PDF file for our website
- Entered all our upcoming meetings into the website's Events Calendar.
- Updated District 10 Virtual Meeting List working with Cerise (DR District 10) and posted that to the website last month
- Continue to communicate with Group Records for any meeting changes that need to be updated on the website's Find a Meeting.
- Continue to communicate with NYN Web Technician - Kathi D. I thank her for all the guidance she has given me and all NYN Officer/Coordinators using her technical expertise
- There have been no meetings of Web Committee since my last report.

Nancy P.
