

# Previous Immediate Past Delegate Report

By Diane C

Six years ago it was decided by New York North that we would purchase space at the New York State Fair for a Public Outreach table

Literature was purchased based on what Kentucky Area used. ( they had similar Fair but purchased a larger amount)

- Public Outreach Bookmarks-Free
- Twenty Questions – Al-Anon-10,000
- Twenty Questions – Alateen-10,000
- Factsheet for Professionals- 2,000
- Information for Educators- 2000
- Al-anon/Alateen is not- 2,000
- Are you Concerned about Someone Else's Drinking?- 10,000

In the last two years also 500 copies of AFA Magazine & purchased 1000 Hand Fans with the Design we also used as our Banner.

To give to visitors who stopped at our Booth

We have approx. half of all of these items left over that has still not been used.& is available for Public Outreach. They reside at the Syracuse AIS Office but it belongs to NYN .

Because of the decision that was made at the 2020 Fall Assembly to not participate at the fair anymore I realized that this subject needed to be brought up at AWSC to discuss what to do with it & to make a proposal to the GR's at the assembly.
