

Web Coordinator Report for AWSC Meeting on March 20, 2021

I am honored to start my new position as web coordinator. I am excited to learn about the “back end” of our website. I have the help and support of the past web coordinator, Nancy P and our web technician, Kathi D. I use the slogans One Day At A Time and First Things First quite a bit. I feel that I am in a learning mode now, but hope to feel more comfortable with the intricacies of the website soon.

I have had the opportunity to answer a few “contact us” emails. If I can’t answer the question I forward the email to the appropriate person.

I will be keeping the events calendar up to date – please contact me if you have something to add.

I would like to hold a web committee meeting sometime in the future. I have so many ideas – I would also like to hear from all of you.

Thank you in advance for your patience and support!
