

Syracuse AIS Report
May 15, 2021
Spring Zoom Assembly

Syracuse AIS decided to revamp our current website making it user friendly with more flexibility when using mobile phones or tablets. With this in mind we formed a website committee to assist our website coordinator.

We also decided to purchase a ZOOM account and have held our last two meetings electronically. Having Zoom has made life much easier when it comes to sharing updates and ideas for the new website.

AIS is still looking to fill open Service Positions, this includes Public Outreach, Service Center Coordinator, Alateen Coordinator, and Alternate Chairperson. If any AI-Anon member has a desire to help share their recovery through service please contact the Service Center at 315.471.0191 or email at Syracuseais.org.

The other project that we are working on is updating our Job Descriptions and Guidelines.

Yours in Service,
Carla Kutzuba
Syracuse AIS Chair
